Dear Dr. Sanchez:

Enclosed herein please find a copy of the original letter given to me by the Carrizo Springs Consolidated Independent School District, the original of which I retain in my files. You notice that this letter is general in its text, which in reality is in our favor because upon an specific agreement one runs the dangers of limiting the agreement. This way, I feel that we can depend on them in any compliance required in the future. Upon my having accepted this agreement, I filed a motion to dismiss and I quote as follows:

"Plaintiffs represent to the Court that the matters in controversy between the parties have been settled and moved the Court to dismiss the complaint without prejudice."

The discussion and conversation held between Mr. Hinsley, attorney for the Carrizo Springs Independent School District, Mr. Garner, the superintendent, and Mr. Robert Oman, Vice-President of the Board, was as follows: That the school would comply with the Delgado decision. That when any difficulties arise, we may investigate the school with the cooperation of the school authorities and settle any differences existing at that time, such as may arise.

Mr. Garner sincerely advised me that he already has knowledge of ten children who will enter first grade next year who know sufficient English to be placed in a mixed class.

Mr. Hinsley and Mr. Oman advised me that if any difficulties arose, I should feel free to talk to them for better results, thus indirectly saying to me that we can ignore Mr. Garner and avoid misunderstandings such as the one that made the suit.

Judge Rice was glad to see that an agreement was made and he seemed to rely upon my affirmation that my clients were taken care of.

All costs were paid by our initial deposit and no further costs were incurred. Therefore, this is my final report on this case and if you need any further information or reference from the file, it is available to you at any time.

I received a check for \$100.00 from Dr. Garcia out of the 1000 Member Club of the GI Forum. He forwarded it to me to help me out, as compensation on this suit.

Sincerely,

Cristóbal P. Aldrete
